Hurricanes Community Child Sponsorship Program

Help Sponsor My Child

We Need Your Help!

The Hartford Hurricanes Youth Football Program consists of volunteers servicing the community. The title of "Community Child Sponsor" was created to help the youths that find financial hardship for participation fees. This program will keep my child off the streets and into a positive environment with other youths where he/she will learn sportsmanship, determination, teamwork, all while maintaining a mandatory GPA education standard.

My dedication to my Childs future is vital and with your help I will also be assisting with;

- Coordinating volunteer hours among other team parents for concessions.
- Collecting donations at the entrance at games.
- Communicating event information to the team and their parents, from time to time, as requested by the program administration.

TARGET GOAL IS \$100

Help us provide this great experience for our city youths any amount is useful and greatly appreciated.
